The Secretary to Government
Local & Municipal Department
Madras.

Sir,

With reference to para 3
of Government Order No 2832 M. Ins
dated 16th December 1897 calling for a
report on the nuisance arising from
the tanneries situated near the
Dindigul Municipality, referred to
in the address presented by the Members
of the Dindigul Municipal Council
to His Excellency, the Governor of Madras,

1/11/98
11/12/98

I have the honour to State that there are about 35 tanneries situated outside the Municipality at a distance varying from 1 furlong to $1\frac{1}{2}$ miles. It appears that the offensive liquid matter flowing from the tanneries is allowed to stagnate in some cases near the tanneries or flow into some tanks or their waterspread in other cases. This is a source of real nuisance affecting the public health, but the Chairman says he cannot control it as the tanneries are situated outside the Municipal limits. The Sub Collector has addressed the Chairman suggesting to him the desirability of abating the nuisance by having recourse to some simple sanitary regulations in consultation with the District Medical and Sanitary officers and by prosecution if

if necessary under chapter XIV of the Indian Penal Code. A copy of his report is enclosed.
2. Provision has been made in the draft bill to Amend Act V of 1884 for tanneries outside Municipalities being licensed by the Taluk Boards concerned, and when the bill is passed, the nuisance complained of can be completely checked. In the meanwhile necessary steps will be taken to mitigate the nuisance as much as possible.

I have the honour to be
Sir
Your most obedient servant
