To

The Secretary to Government,
Local and Municipal Dept.,
Fort Saint-George.

Sir,

With reference to para 2 of —
G.O. N^o 393 M. dated the 17th February
1898 on the Budget of this Municipa-
lity, I have the honor to bring the
following few facts to your notice and
to request that in the light of them
the order refusing to sanction the open-
ing of a V Form in the Municipal
High School may be re-considered.
2. The Educational Officers and the
Director recommended the opening of
a Fifth Form, and since it was —
essential

essential that, if a Fifth Form was to be opened at all, it should be opened in January, — the Fifth Form was actually opened on the 17th January 1898 in anticipation of sanction. If this had not been done, the pupils who are at present in the V Form would have all left the school since, as the result of the annual examination they were entitled to promotion and would not work longer in the IV Form.

3. The present strength of the School is as follows:—

V Form	13 pupils.
IV "	20 "
III "	23 "
II "	38 "
I " (Tamil)	34 "
I " (Telugu)	32 "
Total	<u>160</u> "

and the classes have been working so constituted since January 17th; a Science Graduate (L.T.) was appointed

as

as additional Assistant Master on Rs 45.

4. I understand that the reason for the refusal to sanction our proposal is two-fold. In the first place, the report called for about the working of the Fourth Form (itself an experiment) had not been submitted. In the second place, the results of the Lower Secondary Examination were unsatisfactory. I beg respectfully to submit that the recommendation of the Director that a Fifth Form should be opened may be taken to include a recommendation that the Fourth Form be continued. I beg to draw attention also to the fact that at the examination for promotion 13 pupils were found eligible.

5. Under these circumstances, I request that Government will be pleased to reconsider its order and sanction the opening of the Fifth Form at least as an experimental measure for the year.
