Cost of Plague Sheds in Cantonments.

Communicating to the Collector of Chingleput letter from the Accountant-General stating that the — is debitable to Cantonment Fund.

PROCEEDINGS OF THE PLAGUE COMMISSIONER.

READ—the following papers :—

From D. W. G. COWIE, Esq., Acting Collector of Chingleput, to the Plague Commissioner, dated Saidapet, 2nd October 1898, Ref. on No. 1486-Genl.

I have the honour to state that in this district there are three cantonments, viz., St. Thomas' Mount, Pallavaram and Poonamallee. As I thought it essential for the cantonments to have sites selected and materials kept ready for temporary hospitals, observation wards and huts for suspects, I addressed the Secretaries of the respective cantonments in the matter. The Commandant, Poonamallee Depot, asks me from what source the expenditure is to be met.

2. From the appendix to G.O., No. 949 P., dated 29th August 1898, it appears that the expenditure is classed under "Local". In the plague budget the following items under "Local" appear :—

- (1) Local Funds.
- (2) Municipal Funds.
- (3) Port and Marine Funds.

The district board does not derive any income from the cantonments and it seems to me that the cost should be borne by the Cantonment Funds. I have the honour to ask if my view is correct.

Ref. on C. No. 201.

Forwarded to the Accountant-General, Madras, for favour of opinion. It is suggested that the Accountant-General, Bombay, may be consulted if necessary.

Plague Commissioner.

From the Accountant-General, to the Plague Commissioner, dated Fort St. George, 23rd November 1898, No. 5098.

I have the honour to return herewith your endorsement No. 201, dated 11th November 1898, on letter from the Collector of Chingleput, No. 1486-Genl., dated 2nd October 1898, and to state that the charges referred to in the Collector's letter should be borne by the Cantonment Fund, in accordance with the principles laid down in G.O., No. 698, Financial, dated 15th August 1898.
