The Governor General in Council is further pleased to direct as follows:—

(1) That no person shall be permitted to embark with the object of making a pilgrimage to Mecca, except at the port of Chittagong in the Lower Provinces of Bengal, and unless and until such person has been kept under observation in a place appointed for the purpose until such time as the Medical Officer in charge shall be satisfied that all risk of such person conveying the infection of plague has been completely abated, and unless such person is conveyed from the place of observation to the place of embarkation under the charge of an officer appointed for the purpose.

(2) That no passage tickets for the Red Sea shall be sold, except at the places appointed for the detention of intending pilgrims under observation.

The Government of India think it necessary to repeat the warning given last year that, although they have decided that the pilgrimage to the Red Sea may be permitted subject to the safeguards enumerated above, they are nevertheless convinced that intending pilgrims will be well advised in deferring their purpose until another season, in view specially of the stringent quarantine rules imposed by the Turkish Government and the inconvenience and hardship to which it is likely they will be subjected on arriving in Arabia.
