DESPATCHED

[Despatch Abstract.]

Arrivals from infected areas

Pointing out to the Collector of Chinghp  
that <sup>even</sup> in the case of persons who have  
passed through a Ry Frontier Inspt<sup>Sh</sup>  
the rules do not require two reports  
of their arrival to the G. M. & S. O.  
one from the M. O. of the Ry. Frontier Station  
and <sup>one</sup> the other from the S. M. Master of  
the Station of destination.

Pointing out to the Collector of Chingleput that even in the case of persons who have passed through a Railway Frontier Inspection Station, the rules do not require two reports of their arrival to the District Medical and Sanitary Officer.

## GOVERNMENT OF MADRAS.

## LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From D. W. G. COWIE, Esq., Acting Collector of Chingleput, to the Secretary to Government. Local and Municipal Department, dated Saidapet, 9th August 1898, Ref. on No. 609-B. & G.

I have the honour to state that from G.O., No. 673 P., dated 15th July 1898, it appears that stationmasters of the railway stations at which travellers from localities infected by the bubonic plague alight should record the information referred to in clause viii of Regulation 17 and communicate it to the District Medical and Sanitary Officer. The travellers arriving by railway from the infected parts must pass through the railway frontier inspection stations and the information referred to in clause viii should be recorded by the medical officers in charge of them and communicated to the District Medical and Sanitary Officer. There will thus be two registers for the same person and two reports of the arrival of the same individual will be received by the District Medical and Sanitary Officer. I request that Government may be pleased to inform me whether this is its intention. It would appear that it is so, for, in many cases, passengers from infected areas might be detected only on their alighting from the train, having escaped or evaded notice at the frontier stations. Such instances have occurred.

ORDER—No. 812 P., dated 15th August 1898.

The Collector is mistaken in supposing that all passengers arriving by railway from infected parts must have passed through the Railway Frontier Inspection Stations. There is no such inspection station for this Presidency on the Hubli-Bangalore-Jalarpet line.

His attention is drawn to the opening words of clauses viii and ix of Revised Mufassal Regulation 17. In the case of a traveller who has arrived directly from a Railway Frontier Station, the stationmaster of the station of destination reports only to the "local authority."

## SUBJECT.

Requesting to be informed whether it is the intention of Govt. that two registers for the same person who arrives from two localities infected by the Bubonic Plague should be maintained and that two reports of the arrival of the same individual should be received by the District Medical and Sanitary Officer. In the case of a traveller who has arrived directly from a Railway Frontier Station, the Stationmaster of the Station of destination reports only to the "local authority."

The Collector is mistaken in supposing that all passengers arriving by Railway from infected parts must have passed through the Railway Frontier Inspection Station. There is no such Station for this Presidency on the Hubli-Bangalore-Jalarpet line.

His attention is drawn to the opening words of clauses viii & ix of Revised Mufassal Reg. 17. In the case of a traveller who has arrived directly from a Railway Frontier Station, the Stationmaster of the Station of destination reports only to the "local authority."

Medical and Sanitary officer. There will thus be two Registers for the same person and two reports of the arrival of the same individual will be received by the District Medical and Sanitary officer. I request that Government may be pleased to inform me whether this is its intention. It would appear that it is so, for, in many cases passengers from infected areas might be detected only on their alighting from the train, having escaped or evaded notice at the frontier stations. Such instances have occurred.

I have the honor to be  
 Sir,  
 Your most obedient servant,  
 D. G. C. S.  
 By Collector.

Papers to be read in Proceedings:—

Again G.O., No. dated 189 ,  
 Again G.O., No. dated 189 ,  
 Current No. 1242 P of 1898, dated 9-2-98, from Coll. of Chingleput  
 " " " 189 ,  
 " " " 189 ,

S. A. I am not sure that you have understood the point. Was it not content that an arrival from Poonah to Dm. by Stat. is a passenger coming to Chingleput via Hospet, where there is a frontier inspection station.  
 & of. a passenger coming to Balen via Bangalore & Jalapet or to Calicut by sea, without undergoing examination at an inspection station.

ORDER.

The Coll. is informed that Clause VIII of Regulation 17 applies only to passengers passing through a Ry. Frontier Inspection Station and Clause ix to all other passengers whether arriving by railway or not. The rules therefore, require two reports to the D.M. S.D. regarding the same individual, and the Govt. thinks that it is not even necessary to keep an office copy of the report.
