SIR,

In forwarding the accompanying papers, I have the honor to state that I fully agree with the Chairman in thinking that the salaries fixed by the Council for the Sanitary Inspector and Conservancy Overseer cannot attract a good class of men. Dindigul is in reality a town of sufficient importance to have a Certificated Sanitary Inspector on Rs 50 + Rs 15. I would therefor advise the adoption of the scale sugge-ed in my letter No. 354 dated 21st February as fulfilling minimum requiremen &c

I have the honor to be,

Minute by Chairman

I have just completed another inspection of the Town with regard to the Sanitary matters and have been forced to come to the conclusion that the Conservancy department is utterly useless and incompetent. The Dust Carts instead of doing the work they should, I found have returned from the depôt at about 8 o'clock in the morning as having finished their day's work, whereas, there was an[illegible] work for them to do all over the town. Between 7 & 8 I met only 2 Sanitary peons and one (the acting) Inspector, also 2 carts in work.

Gen

It seems true that the sooner the Council approves the suggestions of the Sanitary Commissioner the better. Some places seem to had obviously not been seen or touched for days together.

(Through the Sanitary Commissioner for Madras)

Sir,

Referring to G.O, No: 580 M mis; dated 15th March 1898, I have the honour to submit herewith a copy of the Council's Resolution No: 1 passed on the 21st Instant in regard to the revision of the Conservancy Staff.

2. The revised establishment

will entail an additional cost of Rs 27-8-0 per mensem or Rs 275 for 10 months as it is proposed to give effect to this arrangement from 1st May next.

Rs 235
Rs 207-8
Diffce Rs 27-8

3. The necessary application for allotment of funds and the proposition statement are herewith submitted.

4. I take this opportunity of drawing the attention of Government to the amount passed as salary for certificated Sanitary Inspector and Conservancy overseers. Considering that at the present moment — Certificated Sanitary Inspectors are so hard to procure at even the salary proposed by the Sanitary Commissioner to Government Rs

Rs 35 + 15 and Rs 12, it seems to me that either the Municipality would have to be satisfied with incompetent men or find themselves without them at all.

5. If instead of doing this, the Council dispensed with the services of 5 utterly useless peons (leaving one for the Sanitary Inspector) the Council would then save Rs 30 per month on this ~~establishment~~ account of which, Rs 10 would go to increase the pay of the proposed Certificated Sanitary Inspector and Rs 4 to the 2 Conservancy overseers.

6. This would be very much more in accordance with the recommendation of the Sanitary Commissioner and would lead

to only an increased expenditure of Rs 11-8-0 as against Rs 27-8- as now proposed by the Council.

7. My Inspection minute, copy of which is enclosed, will bear out the very unsatisfactory state of the Conservancy department of this Municipality.

8. In conclusion I request that Government will be pleased to pass early orders on this matter, taking into consideration my views as opposed to those of the Council.

I have the honour &c.,
