G.O., No. 647, Financial, dated 27th July 1898.

Read—the following paper:—

G.O., Mis. No. 667 P., dated 11th July 1898.

Read—the following papers:—

From the Accountant-General, Madras, dated 30th March 1898, No. 1288.

ABSTRACT.—Requesting that the sum of Rs. 50,000 provided in the budget for plague charges may be allocated to the districts concerned in detail.

From the Surgeon-General with the Government of Madras, dated 6th May 1898, No. T-85.

ABSTRACT.—Stating that a distribution statement for the sum of Rs. 50,000 sanctioned by the Government of India will be furnished as soon as information is received from the medical officers on plague duty.

From the Surgeon-General with the Government of Madras, dated 8th June 1898, No. T-116.

ABSTRACT.—Forwarding a statement showing the district details for the sum of Rs. 50,000 allotted for plague expenditure.

From the Accountant-General, Madras, dated 6th July 1898, No. 3512.

ABSTRACT.—Forwarding with remarks letter from the Surgeon-General with the Government of Madras, dated 23rd June 1898, No. T-219, submitting his remarks on the distribution statement for the sum of Rs. 50,000 sanctioned by the Government of India for plague charges.

Order—Mis. No. 667 P., dated 11th July 1898.

The accompanying statement compiled by the Accountant-General is forwarded to the Financial Department with reference to its Endorsement, No. 843, dated 31st March 1898, in supersession of Endorsement, No. 19 P., dated 12th May 1898. It is doubtful whether the charge of Rs. 6,200 shown against the Presidency town can be properly treated as a plague charge debitable against the provision of Rs. 50,000, inasmuch as the English doctors then in Madras were, it is believed, employed on other than plague duty. The amount shown against Bellary may be reduced by Rs. 2,100 and that against Kistna by Rs. 2,450 on account of the reduction of the plague inspection staff by two Assistant Surgeons ordered in G.O., No. 637 P., dated 2nd July 1898.

The allotment proposed by the Accountant-General is accepted, subject to the alterations suggested in the Local and Municipal Department and pending the receipt of the detailed estimates called for in G.O., No. 514 P., dated 25th May 1898.

2. The distribution of the sum of 51 lakh is shown in the appendix to these proceedings.

Plague Charges.

Accepting the allotment proposed by the Accountant-General for expenses in connection with plague in this Presidency subject to certain alterations suggested by the Local and Municipal Department, and pending receipt of detailed estimates already called for.

## GOVERNMENT OF MADRAS.

## FINANCIAL DEPARTMENT.

Read—the following paper :—

G.O., Mis. No. 667 P., dated 11th July 1898.

Read—the following papers :—

From the Accountant-General, Madras, dated 30th March 1898, No. 1288.

ABSTRACT.—Requesting that the sum of Rs. 50,000 provided in the budget for plague charges may be allocated to the districts concerned in detail.

From the Surgeon-General with the Government of Madras, dated 6th May 1898, No. T-85.

ABSTRACT.—Stating that a distribution statement for the sum of Rs. 50,000 sanctioned by the Government of India will be furnished as soon as information is received from the medical officers on plague duty.

From the Surgeon-General with the Government of Madras, dated 8th June 1898, No. T-116.

ABSTRACT.—Forwarding a statement showing the district details for the sum of Rs. 50,000 allotted for plague expenditure.

From the Accountant-General, Madras, dated 6th July 1898, No. 3512.

ABSTRACT.—Forwarding with remarks letter from the Surgeon-General with the Government of Madras, dated 23rd June 1898, No. T-219, submitting his remarks on the distribution statement for the sum of Rs. 50,000 sanctioned by the Government of India for plague charges.

Order—Mis. No. 667 P., dated 11th July 1898.

The accompanying statement compiled by the Accountant-General is forwarded to the Financial Department with reference to its Endorsement, No. 843, dated 31st March 1898, in supersession of Endorsement, No. 19 P., dated 12th May 1898. It is doubtful whether the charge of Rs. 6,200 shown against the Presidency town can be properly treated as a plague charge debitable against the provision of Rs. 50,000, inasmuch as the English doctors then in Madras were, it is believed, employed on other than plague duty. The amount shown against Bellary may be reduced by Rs. 2,100 and that against Kistna by Rs. 2,450 on account of the reduction of the plague inspection staff by two Assistant Surgeons ordered in G.O., No. 637 P., dated 2nd July 1898.
