Sir,

In continuation of para 6 of this
Office letter N^o 110 dated the 15th Instant, I
have the honor to report ^{that} the School-fee income
from the Municipal High School, Walajapet
may be fixed at Rs 3500 for 1898-99. This
is fixed with reference to the actuals of Rs 1230
for the first three instalments commencing
from January 1898 during which the newly
opened Fifth Form has been at work. —
The fee-income for all the eight instal-
ments of 1898-99 may thus be fairly
expected to amount to Rs 3280 or Rs 3300
in round figure. This is sure to rise
to Rs 3500 or even more, in reference
to the larger strength (than that reported

in para 3 of this Office letter N^o 110 dated the 15th Instant) that the III, IV, and V Forms will have in the last quarter of 1898-99 i.e. from January to March 1899.

2. The expenditure for 1898-99 may be fixed at Rs 3270 as detailed below:-

Head Master at Rs 60	Rs 720
First Assistant at Rs 50 for the first and Rs 40 for the second half-year	540
Second Assistant at Rs 45	540

Fourth " " " 21	252

Gymnastic Instructor at Rs 10	120
Peon at Rs 6	72
Sweeper at Rs 1	12
Total	3180
Contingencies	30
Prize and Library books	60

Grand Total Rs 3270

3. Thus the School is expected to work with a gain of Rs 230 to the Council after meeting all the charges during 1898-99.

4. During

in pp. 801 m

income from the 5th
Form the opening of
which was then dis-
allowed. No 3150 was

4. During 1897-98, the receipts from fees more than covered the expenditure of the High School, leaving a surplus of Rs 240 to the Council. The income from fees during the ^{current} year against the High School was Rs 2746-13-9 and against the Primary Schools, Rs 761-7-0, - thus making a total of Rs 3508-4-9, the actuals of 1896-97 being Rs 3405 and odd. On the other hand, Govern-ment, in L.O. N^o 393 M. dated the 17th February 1898, has been pleased to estimate the total fee-income for the High and the Primary Schools together at Rs 3150 only for 1898-99.

5. In the light of the above representations, I beg respectfully to suggest that Rs 4300 (Rs 3500 for the High School and Rs 800 for the Primary Schools) be taken as the estimated fee income for the year 1898-99, in which case the year may close with a balance of Rs 1570 or Rs 420 more than that fixed by Government in para 5 of the order quoted above.

I have the honor to be,
Sir,

Your most obedient servant,
William J. J. J.
Chairman-Delegate.
