Extract from the Proceedings of the Municipal Council,
Coimbatore, dated 3rd March 1898.

5. Read Proceedings of the Madras Government
dated 19.3.98 No. 607. In. Inis approving Sanitary Commissioner's
views as regards the increase in the pay of the Registration
establishment and to the addition and alterations
in the Conservancy and private Sewerage establishment
and requesting the Chairman to explain why the Sanitary
Commissioner's suggestion of last year to reduce the
number of Sweepers and raise that of Sweepers
was not adopted by the Council.

Resolution

The existing staff of Sweepers is considered
to be necessary by the Council to keep the town
fairly clean. The number of Sweepers cannot be
reduced without the work suffering therefrom.

Now that hand night soil carts are
intended to be introduced, the Council will wait
to see how the system will work and increase the
number of Sweepers if necessary.
