Read—the following paper :—

From the Collector of Bellary, No. 182 P., dated 11th August 1898.

I have the honour to submit, for the orders of Government, an application from some of the leading inhabitants of Hospet for permission to erect separate sheds for (*a*) Brahmins, Vaisyas and Sudras, (*b*) Lingayats, (*c*) Devangas or Weavers, (*d*) Muhammadan gosha females, at the observation camp attached to the Hospet railway inspection station in accordance with paragraph 3 of the proceedings of a public meeting held on 1st August 1898.

2. The application purports to be made with reference to the policy of Government enunciated in paragraph 6 of G.O., No. 396 P., dated 27th April 1898, but I doubt whether the remarks made in the Government order about the erection of their own hospitals and their own segregation huts by the people apply to camps attached to frontier inspection stations. In case, however, Government considers that the application should be complied with, I may mention that there is sufficient space available in the camp at Hospet.

3. A copy of the proceedings of the public meeting with translation is enclosed.

Order—No. 827 P., dated 17th August 1898.

The people of Hospet and Chitwadigi have set a commendable example to the rest of the Presidency, and His Excellency the Governor in Council has much pleasure in granting their application. The proposed sheds may be erected at such sites as may be approved by the District Medical and Sanitary Officer of Bellary and the Medical officer in charge of the plague camp at Hospet, and should be built in accordance with the instructions printed on pages 97—107 of the "Madras Plague Regulations and Rules."

Bellary

Respected sir,

In accordance with the orders of Government published in the Fort St: George Gazette permitting the people to make their own arrangemen in keeping with the measures of the Government for the prevention of plague, as regards bathing &c by main-taining caste and religion, the residents of Hosp and Chitwadigi formed a committee and drove up the proceedings copy of which is enclosed.

We beg to request that orders may be issued to the Tahsildar of Hospet to assist the Committee in having the observation and disinfection sheds erect in accordance with the orders of the Government.

Dr. Perara the Commissioned Medical officer on plague duty on being asked stated that he has no objection to have the sheds erected opposite to the present observation and disinfecting camps.

We therefore request your honour to be kind enough to allow the Committee to erect the necessary sheds and to carry out the above arrangements.

We beg to remain
