To

The Collector and President,
District Board,
Anantapur.

Sir,

I have the honor to request
that sanction of Govt may be obtained as
early as possible for the erection of "Respect
Sheds" at all important stations in the District
for the location of any suspicious case
of plague that may arrive at those stations
from infected areas, more especially as plague
has already appeared at Hubli and persons
from these parts are now arriving into our
District.

Anantapur

To
The Collector of
Anantapur

Sir,

With reference to your letter No. 1587 dated 4th Instant, I have the honor to state that the following Stations require "Suspect Sheds" to be erected, namely, Tadpatui, Gooty, Panidip, Dhannavaram, Perinkonda and Hissampur and the accommodations required would be for Gooty and Tadpatui, beds for 8 patients each (4 males and 4 females) as large numbers from infected localities are migrating to these two Stations particularly. For the remaining Stations

accommodation for 4 beds (2 males and 2 females) each, would be at present sufficient as only a few arrive there occasionally.

2. The Sheds should be thatched and built on the same principle as at Guntakal. The District Board Engineer has already prepared estimates (copy enclosed) for "Suspect Camps" at Pamidi and Shanmavaram (with reference to my letters No. 425, 460 and 483 dated 13th, 23rd and 26th May 1898 respectively to the ^{address} ~~address~~ of the President District Board Anantapur) amounting to Rs 55 each, giving accommodation for 2 males and 2 females and I would request that similar Sheds be erected at Perunkonda and Hindupur. At Gooty and Tadpatu accommodation for 8 beds must be provided as noted in para 1 of the above, which would amount to Rs 110 for each Shed.

3. In this connection, I send herewith an extract from letter No. 143 dated 4th Instant from the Hospital Assistant of Tadpatu

requesting that steps be taken immediately to erect a "Suspect Shed". As the matter is of urgent necessity, I request that, in anticipation of orders of Government, the District Board Engineer may be authorised to erect Camps at Gooty and Tadpatu immediately.

I have the honor to be,

Sir,

Your most obedient Servant,

Sir,

I beg to report that every day batch
after batch of people are coming here from in-
fected parts and with difficulty with the
assistance of the Tahsildar, Village Magistrate
and the hospital staff, I get these men to the
hospital every day and keep under observation.
Should there be any suspected case of fever
among these men, there is no place here
to keep them.
