TH.

Plague Commissioner

SIR,

I have the honour to forward
herewith for your information
Copy of a telegram received by me
to-day from the Head Clerk of the
Deputy Tahsildar's office at Purn-
gannur.

2. I have written to-day to
request the District and Sessions Judge
to examine the Deputy Tahsildar
and the Deputy Hospital Assistant as
early as possible and to let them
go back to their stations. I have
also written to Mr Scott-Elliot
who is now at Palmaner to
proceed to the spot at once
and

and see that no excitement is caused among the villagers and that any steps for the arrest of the offenders are taken quietly and in a formal manner as if the occurrence had been an ordinary one. I have also asked Mr Scott-

Elliot to explain to the people of the village if there is an opportunity that it is not for segregating them that the sheds have been built, but that on the other hand they have been built to prevent sick people from other districts entering into their village to effect which object they themselves also are very anxious.

I have the honour to be,
Sir,
your most obedient servant,

W. B. B. B.

ag Collector.
