DECEMBER.

Report of Plague Cases.

Stating that the telegraphic — should be sent for all seizures and deaths from plague, whether the cases are genuine or suspicious; and that the detailed report should be furnished as early as possible in the form now prescribed.

PROCEEDINGS OF THE PLAGUE COMMISSIONER.

LETTER—No. 845, dated 5th December 1898.

SIR,

Under paragraph (2) of G.O., No. 829 P., dated 17th August 1898, as modified by paragraph 2 (3) of G.O., No. 1122 P., dated 20th September 1898, telegraphic reports of all cases of plague should be sent to this office, to the Sanitary Commissioner and to the Surgeon-General; I have the honour to request that suspicious as well as genuine cases may be invariably reported in the same way. Further details should be furnished by post as early as practicable, if possible within 48 hours. The appended form, copies of which will be supplied by the Superintendent, Government Press, may be adopted. Information should be given as briefly as possible. The daily telegram on the condition of the plague patients may be discontinued. Deaths will be reported as now by telegrams.

I have the honour to be,

Sir,

Your most obedient servant,

Personal Assistant

for Plague Commissioner.

To the President, Municipal Commission, Madras.
„ all Collectors (A—L).

Copy to the Sanitary Commissioner.

„ „ Surgeon-General.

„ „ Superintendent, Government Press.

already done. *order* 134/10
The 1st report

Introductory para 2 (3)
1898 1122 P. D. 20.5.98.

The report should be as brief as
possible

Sir, under para (2) of G.O. no 825 P.
D. 17.8.98 as modified by para 2 (3)
of G.O. 1122 P. D. 20.5.98 telegraphic

reports of all cases of plague should
be sent to this office, to the San.
Comm. & to the Govt. Secy, 11.11. To the President of the Council
to report that suspicion as well as City & the Sanitary Comm.
Genuine cases, any to be reported in
the same way. Further details should
be provided by post as early as possible, copies of which will be supplied by the
if possible within 48 hours. The approved form may be adapted. Information
should be given as briefly as possible. The daily telegram on the subject
of the plague patients may be discontinued - but deaths will be reported
as soon as telegrams.

With reference to para 2 of G.O.
no 825 P. D. 17.8.98 all collectors
are informed that the daily telegraphic
reports of plague cases should be
sent to the Plague Comm. and not to
Govt. Within 2 days after the despatch
of the telegram, a detailed report on
each case should be forwarded to the
Plague Comm. prepared under the heads
given below and forwarded direct to
the Plague Comm. The daily telegram
on the condition of the plague patients
prescribed in the G.O. is not required, but
care should be taken that every case
of plague, whether genuine or suspicious,
should be promptly reported by telegram.
