LOCAL AND MUNICIPAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Collector of the Nilgiris B.G.R.No.928 dated 17th October 1893, proposing a site for the construction of a separate plague camp for the use of Muhammadan women.

Order No.1461-P Misc. dated 25th November 1893.

The Government considers that, though the Government land in the hollow between Burton Cottage and St. Thomas's church is the best site available for a plague hospital for Muhammadans, it will apparently be insufficient, without the addition of some of Mr. Clarke's adjoining land, and the Collector may find it difficult, if not impracticable, to arrange with Mr. Clarke about this. In that case the Collector may have to fall back on the plot of Government land in the hollow near Alta Villa, where ample space is available to avoid being too close to that house.
