Sir,

with reference to the memorandum
C. no 1379 of 21st instant from the
Plague Commissioner, Madras, I beg
to explain that the number 16 in
column 8 against the 'Total' line does
not show the balance for the week, but
the total of the balance left week after
week; the balance for the week is
shown in the same column against
the 'During the week' line. Therefore
the number 16 is shown in column 2
against 'Up to the Preceding week' and
the 1 referred being the balance for
the week as shown in Column 8 against
During the week in the previous week's
return is shown in col. 2 against
'During the week' in the return in ques-
tion. This will be clear if the previous
return is referred to.

The returns were being prepared
in this manner all through till now, when
this confusion is made; to avoid this, the
last return is prepared in a revised man-
ner omitting to fill in some of the unnecessary
columns in the return and
believe

believe will find approval.

I beg to remain
Sir,

Your most Obedient Servant,

H. Shivalas
