Office of the District Medical and

Sanitary Officer, Anantapur.

Dated 19th November 1898

Camp Gundakal.

From,

Captain R. Robertson I.M.S.

District Medical and Sanitary Officer,

Anantapur.

To,

The Collector of

Anantapur.

Sir,

In reply to your letter no RC 803 dated 13th Instant I have the honor to state that I ^{repel} ~~regret~~ very much for your proposal to remove the Establishment therein referred to, which cannot conveniently be done without detriment to plague work.

2. There are on the whole 12 Sanitary Inspectors and two Assistant Sanitary Inspectors in the District and all of them are engaged on important business. Six Sanitary Inspectors are in charge of circles in Gooty Taluk; one for Gundachion and the other for Thimancherla Village, who is now temporarily deputed to Tadpatris, as the

Sanitary Inspector there was reported to be ill,
and another is in charge of Hindupur Town
to look to the Sanitation, disinfection &c. Two
are attached to the two flying columns. The two
assistant Sanitary Inspectors are in charge
of passport issuing business in Thimancherla
and Pathacathacheruvoo Railway Stations.
The Sanitary Inspector of Thimancherla Village,
though has no work there now, will be attending
the work at Guntakal Village & also available
for any urgent work elsewhere, as a relieving
officer. There must be one Sanitary Inspector
Supernumerary for urgent calls. Only the
6-circle Inspectors & the Sanitary Inspector at
Hindupur have got a peon each & none else.
3. As for the platform clerks there are only 3
in the District; two at Guntakal and one at
Hindupur. Out of the two former I intend
sending one to Tadpatry platform work to
assist the Sanitary Inspector there in writing
passes, passports and intimation statements,
as he had much to do with regard to Sanita-
tion of the town and also disinfection & to keep
other clerk here. The Hospital Assistant

at Tadpatry Dispensary has reported much
Excess work both to him and to the Sanitary
Inspector vide letter No. 255 of 5-11-98
enclosed. The clerk on platform at Hindupur
cannot be removed.

I have the honor to be
Sir,

Your most obedient Servant

Plague Commissioner,
~~THE SECRETARY TO THE COMMISSIONER OF~~

Madras.

SIR,

In forwarding herewith copy of letter no 382
dated 18th November 1898 from the District
Medical and Sanitary officer Guntakal, I
have the honour to state that I agree with him
in thinking that the Establishment cannot con-
veniently be reduced without detriment to
Plague work. I have now given Mr. Marshall
an accountant who was auditing famine
accounts of my office and who can therefore efficien-
ly keep accounts. As he is a permanent man on
Rs 35, I have asked in my letter Ref on C No 803
dated 8-11-98 to sanction an accountant on Rs 45
which is a reasonable increase to him. I request
therefore that you will be good enough to sanction
the appointment of the accountant on Rs 45.

I have the honour to be
Sir,
Your most obedient Servant
