Adverting to your Reference on C.N. 1299, dated 14th November 1898, I have the honour to state that the District Medical and Sanitary Officer now informs me that he will himself manage the working of the Passport System with the clerk on Rs 20 newly sanctioned to his office. As no passports have of late been issued to persons leaving Guntakal for other places and also to those entering the District from infected areas, provided they hold inoculation certificates, the tension of the passport system has been much diminished and it does not hinder the executive work of Captain Robertson. He will also utilize this clerk for maintaining regularly the inoculation Register referred to in para 8 of your proceedings 795 dated 24th November 1898. I have therefore the honour to state that the additional clerk on Rs 25/- for whom sanction was applied for in my letter Reference on C.N. 695 dated the 11th November 1898 is not necessary at present.

I have the honour to be,

Sir,
