The Secretary to Government,
Local and Municipal Department,

I have the honor to forward,
reewith, for the information of Government,
Copy of a resolution passed by the Council
at its Meeting held on the 14th Instant,
with reference to the points to which the
attention of the Council was drawn
by Government in G. O., dated 5th March 1898,
No. 506 Dn., reviewing the Cuddalore Municipi-
pal Budget for 1898-99.

I have the honor to be,
Sir,

Your most Obedient Servant,

Asst. Commissioner
Ex. off. Chairman.

Extract from the proceedings of the
Municipal Council of Ciudad Juárez passed
at a meeting held on the 14th April 1898.

3. Read G.O., dated 5th March 1898, No. 506m,
revising the full dollar municipal budget
for 1898-99.

Read also letter from the District
Medical and Sanitary Officer, dated 31st
March 1898, No. 1020, stating that it would
not be advisable to disturb the present
Sanitary Shop which is best suited for
a large and secured municipality like
Ciudad Juárez.

Para 3. The Council is of opinion that, as it
has already recorded its views in resolution
No. 2 passed at a meeting held on the
3rd February last and submitted the
same to Government for consideration,
with the Chairman's letter, dated 4th Idem,
No. 956, regarding the revision of the house tax
registers, the question should lie over until
the orders of Government are received.

4 (2). The Council resolves to give the
present D. P. W. Overman a 30 days notice
informing him that his services will not
be required after the expiration of that period,

and

Cuo 7214/98

and the Chairman is requested to
arrange for the publication of notices
in the Fort Saint George Gazette inviting
applications from qualified candidates
for the post of D. P. Officer.

(3) As regards the suggestion of the
Sanitary General in paragraph 2 of his letter
embodied in the G.O., about the
construction of new dispensary buildings
for women and children, the Council
considers that it is unnecessary to raise
a loan for this purpose and is likely
that Rajah Sir Sarvagha Ramaswami
Iyengar will contribute towards
the erection of the building in question.

With reference to the remarks of
the Sanitary Commissioner in his letter printed
in the G.O., regarding the revision of the
Sanitary Establishment, the Council
agrees with the District Medical and
Sanitary Officer in thinking that
it would not be advisable to disturb
the present sanitary staff which is best
suited for the requirements of this District
locality.

The Council would further
observe that it has already got a trained

Chief

Chief Sanitary Inspector who is paid a
salary of Rs. 30 with Rs. 15 as pony allowance
a month.
