OFFICE OF SURGEON-GENERAL
5 - OCT. 1898
WITH GOVT. OF MADRAS.

Sir,

I have the honor to bring to your notice that the work in this office has, since lately, been immensely increased, especially on account of Plague and that the two clerks of my office are quite unable to cope with the daily increasing heavy work, even though they work at the office at an average of 10 hours per diem on week days. They have also to attend office for a part of Sundays and gazetted holidays, thus loosing even the few days of rest which they would otherwise enjoy.

2. I request, therefore, that you will kindly sanction the entertainment of an additional clerk on Rs 15-–– per mensem – an intelligent man – (chiefly for

Dnlt: 309/575 of 98

attending to Plague correspondence till such period as is necessary) agreeably to Section 13 Part I of G. O. No. 93 P dated 26th February/98.

2. The favour of a very early reply is requested.

TO
THE Plague Commissioner

through the Surgeon General
with the Government of Madras.

SIR,

In submitting a copy of the letter from the District Medical and Sanitary officer No 1140 dated 10th ultimo, I have the honour to request that you will be so good as to sanction the entertainment of a temporary clerk for the District Medical and Sanitary officer. I think that he has made out the necessity for the extra assistance. No provision has been made in the Plague Budget to meet the charge. It may however be met from general savings, if any, under 24 Medical – Medical establishments – if the Surgeon General approves of it.

I have the honor to be
Sir,
Your most obedient Servant,
