GOVERNMENT HOUSE,
OOTACAMUND.

23rd Aug. 1898.

My dear Sir Henry,

Now that we have had cases

of plague at Guntakal and that there are
cases at Bangalore, do you not think the
time is come either for sending for Dr.
Bannermang, or for at least warning the
govt. of India that we may have to telegraph
for him at any moment? It might

suggestion was made yesterday, - that the
my high mortality in Madras is due to
hidden cases of plague. It was said that
there are forms of it, which resemble
pneumonia.

Yours sincerely,

H. E. Havelock

To Public. u.o.

The Surg. Genl. has proposed that for 8th apply for the Services of Surg. Capt. Niblack & H.M. is disposed to approve of this.

2. Will Public kindly state the ~~con~~ circumstances in which Surg. Capt. Niblack was sent to Bombay; & whether it approves of the proposal to apply for his return; & if so whether it will take action itself in the matter, or if this Dept is to move, whom it ~~will~~ address.

C.S.

Surg. Lieutenant Niblack has never been in Civil ^{in this Presy} employ. He was apparently sent to Bombay under the orders of the Military authorities. He has however expressed a wish to enter civil

employ in Madras (vide G.O. 770 his name has already been mentioned to 17-6-98 and the Govt. of India has

as one of the officers whom his
already been asked to place
S.G. would like to have
his services at the disposal

of the Govt for ordinary
civil employment in place
of another officer who has
elected to return to military
duty. (C.O. 956
23-7-28)

L & M Dept. apparently
wishes for his services in
connection with plague. The
question arises, if he comes
to Madras in accordance with
the request already made,
he can be spared for
plague duty will be for
L & M to settle with the
S.G. If he is required
specifically for plague duty,
or and not for the
ordinary establishment,
his services might possibly
be lent by the mil. Dept.
In the absence of definite
information as to the
purpose for which he is
required it is impossible
for Public to give a
definite opinion.

NOTE FOR THE Secretary

The Government of India in its
telegram of 3-5-28 applied for
the services of S. Baunerman "to
help in Calcutta in organizing
vaccination work" and he was
lent accordingly on the express
condition that he should return
immediately if plague broke out
in this Presidency. He has now been
nearly 3 months in Calcutta and,
as the S.G. observes in his D.O., the
Bengal Government has had ample
time to train its own officers. Cases
of plague having occurred at Hospet,
Kodakhal and Gunatal, it is
submitted that Govt of India should
be asked to send back S. Baunerman
in preference to lending a young officer
to fill up his office of Dy Sanitary
Commr.

2. As regards Ayer's Lieut
Riblock, the Public Dept writes that
he was never in civil employ in this
Presy & went to Bombay under orders
of the military authorities. The S.G.
suggests his employment in Kurnool
Commissioner in his place

D.O. No. 50. P. 45-8-1898.

My dear Sibthorpe,

It is probable that Sanjana will soon be relieved of his Chemical Examiner's work, and in that case it is thought that the vacancy on the West Coast need not be filled up for the present while the monsoon lasts and that in the interval he might be sent to the Bombay Presidency to study the working of Plague measures. I am to ask your opinion of this proposal. If it is acted upon, he could be posted to a district not far from the Bellary - Bombay frontier, so that his experience thus gained might become easily available.

Yours Sincerely
(Signed) H. Tremearke

in succession to D. Balch who has applied for leave preparatory to retirement. As D. Niblock is willing to serve in the Civil Dept. in this Dept. Presy, and as the S.F. proposes to employ him as S.M. H.O. in Kurnool for the present, it is submitted that ^{this for} the Public Dept. to obtain his transfer.

Stating that the services of
Surgeon Captain Niblock should
be applied for to be sent to
Bombay to study plague
as he has had plenty of
experience in plague matters
under the Govt of Bombay
and that if Dr. Bauman
is not to come back soon
the Govt of India should be
applied for for another ^{young} officer
with special qualifications in public
health to act as Deputy Sanitary
