Of course the Salem D.O.
H.O. can't be sent to Jollapet.
He will be wanted for
district duties - Besides, it is highly
undesirable to have a district with
a central jail without a Com.
mod. office - As to the other Dr.
ordered to Jollapet, he is the
D. in charge of Cuddapah, who is
among the men. Particularly told
X attention is invited to H.E.'s
notes (1) (2) & (3)

+ the fact to caution the S.G. that
he was on account of
move. This caution does not seem
to have been conveyed
to the S.G. - Why not? I expect
the fact will explain.

If Dr. Robertson can't be used
as Chem. Examr., certainly
let him go to Jollapet as
H.E. suggests.

M.H.
22/8/98

The S.G. ~~has~~ has directed
~~to send~~ the D.M.O. of Salem &
an English doctor, to the new
inspection station at Jollapet.
It is submitted that the D.M.O.
need not be disturbed, especially
as the Salem D.O. has been declared
to be "under observation". From
the enclosed confidential
correspondence, it appears that
Surg Capt Robertson can be sent
to Jollapet, & it is proposed to
ask the Public whether there
is any objection to this. It
will be seen that H.E. does not
think it necessary to move the
D.M.O. of Bhimlepet or S.
Arakalpet.

My dear Kithorpe

I am directed to
request you to advise, as
regards the medical officers, the
arrangements reported in your
letter No 326 of 20-8-98.

The Salem St. has been declared
to be under observation and
it is not advisable to move
St. Harrison from his St. duties.
The St. moreover, has a central
Jail, and in the opinion of Govt.
it is undesirable to leave it
without a Commissioned medical

Officer.

As regards St. Myler, the
Govt. finds he is now in charge
of Cuddalore, a district bordering
on the Mysore Province. The
Govt. thinks ^{that} he should not be
disturbed from his present
appointment and that the
medical officers in the Sts of Bellary
Kannur, Kistna or Tadavai
should ^{not} also be moved on any
account without the previous orders
of Govt.

The delay led to precisely the mistake I anticipated, viz., that the S.F. moved one of the officers in a threatened district. The Secy apparently forgot that he was in charge both of L. & H. of Public, so that, in the absence of H.L., my orders had been carried out at once.

AS

24/8/98

H.M. has already been informed that on the 22nd a telegram was sent to the Col. Cuddapah telling him to retain D. Myler, & today a telegram has been sent to the S.F. telling him not to move, without orders of Govt., the extra men posted in the threatened districts.

With reference to H.M.'s query why such instructions were not issued before, I beg to explain that they were taken as part of the order marked A (on the office note on C. 1291.P.) which it was conceived required H.E. The Governor's approval, as affecting appointment & posting of officers. It was then the 18th; His Excellency was expected on the 20th; a note was sent to the Private Secy on the 20th, & it was hoped that orders in the sense of A. could be issued on that day. The Private Secy's answer however was received only on the night of the 21st, & had to be submitted to H.M. on the 22nd. Hence the delay.
