Order No 884 P. mis. dy 24-8-98

The maps are returned. That of Chicacole is on the ^{very flimsy} paper and is quite useless, as it does not give any information. The Collr should not have allowed such a plan to pass through his hands. A proper plan should now be drawn up and on tracing cloth and a copy ~~sent~~ submitted to Govt.

2. Copies of the maps should be kept in the Collr's Office - vide Rule 3 of the rules contained in G.O. No 522 N. dy 13-3-97.
