SIR,

I have the honor to state that in the case of certain overseers in the employ of the District Board employed on Famine duty, it was found necessary to make halts at one place for more than ten days, for the execution of the duties entrusted to them and this was done in the interest of public service.

The allowances drawn by the Overseers for such halts are held under objection by the Treasury Deputy Collector for want of Government sanction exempting those cases from the operation of Rule No. 1159 of the Civil Service Regulations.
