1. Read G.O. No. 529 No. dated 8th March
1898, reviewing the Chicacole Municipal Budget
for 1898-99.

* * * The reason
for the Sanitary Commissioner's remarks about the number
of sweepers and scavengers is not very plain. Besides
the 23 scavengers employed by the Council, there
are many other scavengers employed by the private
individuals for cleaning their latrines. The number of
private scavenging houses under the management of
the Council is 360 and the number of private
scavengers employed by the Council is therefore
ample for the requirements.

FROM

CHAIRMAN,
MUNICIPAL COUNCIL, CHICACOLE.

TO

THE Secretary to the Government,
Local and Municipal Department,
Madras.

SIR,

With reference to the remarks of the Government, in para 4(4) of G.O. No 529.M. dated 8th March 1898, drawing to the attention of the Council the remarks of the Sanitary Commissioners regarding the revision of the number of Sweepers and Scavengers, I have the honour to enclose herewith an extract from the Proceedings of the Council passed at its meeting held on the 6th April 1898.

2. As regards the purchase of iron night Soil Carts, I beg to represent that two night Soil Carts were purchased several years ago, but they have been left unutilised for the reason given in para 4 of the Annual report of the Municipal Hospital Chicacole for the year 1896-97 embodied in G.O. No 1695.M. dated 31st July 1897.

3. I further beg to represent that Rs 100 have been

been provided in the Budget for the year 1898-99 with the view of acquiring a piece of land for rubbish and night soil depôts as suggested by the District Medical and Sanitary Officer, and the early steps will be taken to acquire that land and to have the rubbish and night soil depôts removed there to.

The land is situated by the side of a road the night soil carts will thus be freely used.

I have the honour to be Sir,
 Yours Most Obedient Servant,
 L. Lumley
 1898

As regards the purchase of iron night soil carts I feel to represent that two night soil carts were purchased some years ago but they have been left unused for the reason given in favour of the Council report of the Municipal Engineer as to the use of the same for the purpose of depositing night soil in the streets in 1898-99.
