Through the Dy Collector of Trichinopoly.

SIR,

I have the honor to submit, for the orders of the Government, a copy of the resolution passed by the Municipal Council at their meeting held on the 10th Instant, recommending exemption of Daranallur and Kilapindur from the Water tax. Of these, Daranallur is a small village consisting of 196 houses assessed in the sum of Rs 120-7-0 to the water tax. It lies about a furlong to the east of the town. The other hamlet referred to in the Resolution is an isolated collection of native houses in the middle of the Contonment. There are only 49 houses of the poorest description and the total water tax is Rs 16. The Council considers these two places may reasonably be

be

be exempted from water tax both on the grounds of poverty and of the fact that no water pipes have been as yet laid to these places.

I have the honor to be
