Sir.

With reference to your letter No 130 dated 30th Ultimo I have the honor to state that the system of offering rewards for the destruction of rats, at the rate of 3 pice per head may be tried as proposed in the Unions of Bosur and Denkainkote and in the villages in the first row of circles adjoining the frontier viz. Thali, Matigpre, Pragalur and Perikrai. The rats must be proved to be bona-fide from these villages and must be counted and burnt in the presence of the Chairman of the Union Panchayat in the Unions, the Estate Manager at Perikrai and Circle Inspectors in other villages before disbursement, a certificate to this effect being added in their bills. The Treasury Deputy Collector and Vice President will be requested to arrange for a small advance of Rs 5 being placed at the disposal of the Offices concerned which should be recouped from time to time. A notification should be published in the villages concerned.
