SIR,

ENCLOSURES.

I have the honor to submit herewith a statement showing appointments newly created in the Ootacamund Municipality on account of the Plague for the months of June & July 1898, as presented in item 3 of the notification presented in item 3 of the notification printed in Government order N^o 6441^D 2.7.98. The appointment of the additional clerk by the Municipal Council does not seem to be one of those appointments which are contemplated by the rules relating to plague. I am asking the Chairman whether he considers the appointment absolutely necessary.

I have the honor to be,
