FROM

Robert B. Clegg Esq.,
as COLLECTOR OF
Salem,

TO

THE SECRETARY TO GOVERNMENT,
Local and municipal DEPARTMENT,
Obacamund, Madras.

SIR,

With reference to your memo-
randum No 1020 dated 16th Instant,
I have the honor to state that there have
been 2 cases of omission to take
out passports and one in which the
party failed to appear for observation
after 3 days. There are what have
come to my notice. The details are
as follows: —
2. About the middle of July last
two individuals M^r and M^{rs} Burns
came from Arrah through Madras

near Patna, about
N.W. corner of
Bengal.
no people there

to Suramangalam and thence proceeded to Erode. They having held tickets from Madras the Sanitary Inspector on duty at the Suramangalam Station did not issue passports nor did they take out passports and appear for observation at Erode. When the matter reached my notice the parties had already left Erode. If intimation from the Sanitary Inspector at Madras had been sent to the Station master at Suramangalam by wire or by the guard of the train in which the passengers were travelling, the omission would not have occurred. As a general rule intimation arrives from the Madras

municipality in such cases several days after the traveller.

3 - The next case is that of three passengers from infected areas who proceeded to Vaniyambadi from Bangalore on the 22nd July.

The Railway Inspector at Bangalore wired to the Sanitary Inspector at Vaniyambadi that three tickets to Vaniyambadi had been issued to these men and the guard also handed over a pass to the same effect: but the passengers did not arrive at Vaniyambadi having apparently alighted at one of the intermediate stations to evade medical inspection.

Further Enquiry is being made

to find these men out. Meanwhile
I have drawn the attention of the
Railway authorities to the provisions
of the Regulations and requested
them to have them strictly carried
out.

The third case is that of one
Basavappa from Raichur. He took
a passport at Suramangalam and
presented himself for observation
for 3 days before the Medical Officer
at Salem and then absented
himself. His explanation was
that he had to go urgently to Erode
and that he intimated this fact
to the Medical Officer at Salem.
I have ordered that this state-
ment should be verified and
if untrue the man should be

prosecuted under Section 188 IPC.

I have the honor to be,
Sir,

Your most obedient
Servant,

Thos. J. Blin
ag. Collector.
