In reply to your letter no 2002
dated 18th December 1897 and also to your reminder
of 18th instant, I have the honor to state that there is
no objection to the paramba mentioned in your letter
being taken over by the municipality for the purpose
of providing a burial ground for the Bora Moulki
Community on payment of a reasonable compensation
for the same.

I should also like to state that the
reasonable compensation would be according to the
nature and situation of the paramba and that,
therefore, the proper compensation for the ground
in question would, in my estimation, be from
eight to twelve annas per perikkam.

I have the honor to be,

His Excellency,

Sir Arthur Elibank Havelock, G.C.M.G., & C.I.E.

Governor-in-Council
Fort St. George

The humble memorial of the
undersigned mahomedans belonging
to the Community of Bora Malki
residing in Calicut

Respectfully sheweth,

That the memorialists most
respectfully crave permission to
approach Your Excellency-in-Council
with this memorial of their pressing
grievance and hope that Your Excellency
will see your way to redress it.

2. That Your Excellency's humble
memorialists beg to state that they
belong to the Bora Community which
is large and conspicuous in Bombay
and the adjacent Town, but which
is in a minority in these parts
on the West Coast.

3. That about 2 dozen of them

that Your Excellency was

will ensure necessity

Call cut settled here for purpose
of trade, but their numbers are
augmented at various times
in the year by constant
arrivals during season of their
various constituents whose professional
engagements bring them to these
parts.

4. That they respectfully submit
that they have no burial ground
for their use in this town and
consequently they are placed
at a serious disadvantage
by the want of a primary
necessity of existence.

5. That your Excellency's
humble memorialists respectfully
beg to submit that the burial
of a corpse and the performance
of the obsequies of dead men
are important duties enjoined
by every religion in the world
and the obligations they impose
are so highly important that

that they cannot be adequately
performed without due provision
for a burial ground.

6. That your Excellency's memorialists
beg to point out that, through
sectional differences, the
memorialists will not be
permitted to use the
burial ground provided for the
other musulman population of the
town and consequently it is
necessary that they should take
steps to have a separate provision
made for themselves.

7. That the memorialists beg to
state that a large number
of their countrymen are beginning
to domicile in this place and
the exigencies of a growing community
involving as it does the occurrence
of such casualties as death
call for a speedy provision
of a burial ground.

8. That the memorialists understand
that your Excellency was
kind enough recently

accept of our sanction to a
free grant of Rs 1500/- to the
Calicut Municipality, towards
the provision of a burial ground
for the native community,
although the Chairman only
moved Government to grant
a loan of the money to the
Municipality.

9. That the memorialists
respectfully beg to point out
that they are engaged in
these parts in large commercial
enterprise and in developing
different industries and they beg
leave to urge that they consequently
deserve and are entitled to the
benign protection which Government
extends to all its subjects in
matters of this description.

10. That in these circumstances
Your Excellency's memorial is
respectfully beg to move
Your Excellency to extend
to their community also.

Your Excellency's generous
help by issuing necessary
orders for the provision of
ground for their exclusive
and thus be the means
removal of a sore felt
for which act of kindness
generosity Your Excellency's
memorialists shall, as in duty
bound, ever pray.
