Hospet to the Collector of Bellary.

In forwarding therewith an indent in duplicate for the disinfectants required for the plague camp at Hospet, I have the honour to inform you that 100 lbs of Phenyle were obtained from Messrs. Turnbull and Co. Madras, on the 25th October 1898. Now the Treasury Deputy Collector Bellary informs me in his letter no. 150 P dated 17th November 1898 that he is unable to pass the bill for the cost of the same in the absence of any Government order. I therefore request that you will be good enough to obtain the necessary sanction and pass the bill submitted to your office on the 30th October 1898, at an early date.

This quantity now on hand will not
last long and no sanction has as
