* The following telegram was despatched to
Bombay by Public on the 25-8-98:-
"494 Service of Thomas, Temporary Doctor
urgently required. In accordance with
conditions in my letter 513, of April fourth,
please direct him proceed immediately
where orders will await him."

NOTE FOR THE Secretary

It is submitted that
Dr. Thomas may be asked to
proceed direct to Jalapet to
take the place of Dr. Harrison
whom the S. G. proposed to send there
as inspecting Officer, & that the
S. G. may be informed accordingly
by telegram. The file about
Dr. Beit sent to H. M. has not
come back yet.

H. M.

I don't think it wd do to have
two of the doctors from England at the
same place, as we could hardly have one
under the other. Dr. Beit & Asst.
Sur. Everard will do, I think - ~~NA~~
The latter will be able to supplement the
former's want of knowledge of the country.
Dr. Thomas might go to Hindupur -
but better wait a day or two - we have
Pakala to provide for, & I think I suggested
yesterday on a paper in Public that we
might get Dr. Rivers from Coonoor - I
must see what H. C. says - Perhaps
Dr. Thomas may have to go to Pakala, if
it is judged best not to stop Dr. Rivers
here

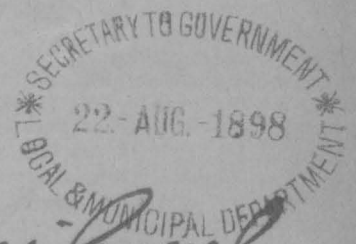

As
26/8/98

Jalapet with its numerous,
including night trains,
needs ~~two~~ ~~C.M.~~ two doctors.
As seen from No. 1417P enclosed,
the S. G. has sent Dr. Beit &
a Retired Sen. Ass^t Surgⁿ.
It seems best to replace the
latter by Dr. Thomas when he
arrives from Bombay. He can
be reached by order at Tempabadre, or better by ^{order} ~~order~~
of course meanwhile circum-
stances may change, but at present
the above arrangement seems
advisable H. T.

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

With reference to para 2 of G.O. No.841 P.

dated 18th August 1898, I have the honor to state for the information of Government that I have deputed the Medical

-----x	Officers named in the margin for plague
Dr.F.V.O. Beit,M.R.C.S.	:
Retired Senior Assistant	:
Surgeon J.J.I.Everard.	:
-----x	2. Dr. Beit is one of the Medical

Officers sent out from England for plague duty and is now employed as Acting District Medical and Sanitary Officer, Cuddalore. I originally ordered Dr. Myler from Cuddapah, but as he says that he is not in good health and as two suspected cases have since occurred in Cuddapah, I have directed him to remain there and deputed Dr. Beit to Jolarpet. Mr. Everard was until recently Assistant to the Medical Officer in charge of inspection station Hospet and did good work. He was also in charge of the station before the appointment of Surgeon-Captain Pereira.

3. On receipt of your telegram dated 19th August 1898 I also deputed Brigade-Surgeon-Lieutenant-Colonel Rogers-Harrison temporarily to Jolarpet. On completion of necessary arrangements and the arrival of Senior Assistant Surgeon Everard Dr. Rogers-Harrison will hand over charge to Dr. Beit and revert to Salem, as I have no other Commissioned Medical Officer available to

be sent to that District especially as it has a large Central Jail.

I have the honor to be,

'Sir,'

Your most obedient servant,

C. Sit Thompson
