Coimbatore DISTRICT COLLECTOR'S OFFICE,

26th August 1898.

FROM

J. A. Cumming Esq;

Acting COLLECTOR OF THE

Coimbatore DISTRICT,

TO

THE SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT,

Madras.

SIR,

Since the receipt of G. O. No. 839 Public, dated 18th August 1898, I have been expecting orders placing this district under observation.

2. My information regarding the outbreak of plague at Bangalore and the progress of the disease is derived from the public prints, but I must assume Government considers the outbreak there does not imminently threaten this district.

3. At the same time I must point out that there is considerable traffic between the Bangalore district and the Kollegal taluk. At present when the Cauvery is in flood, this is mainly via the Sivasamudram

Bridge

Bridge. I would recommend therefore that Regulation 29 be extended to the Kollegal Taluk, so that an inspection station under the charge of a hospital assistant may be established at the bridge. Temporary hospital accomodation with the necessary medical equipment would be provided for 4 natives, and segregation accomodation for 10.

I have the honor to be,

Sir,

your most obedient servant,

S. J. [Signature]
Acting Collector.
