THE

Plague Commissioner

Madras.

SIR,

I have the honor to state that the
ambulance staff which is now kept at Salem is
fully engaged in that Taluk as plague cases are
constantly cropping up in the outlying villages of
that Taluk. Three indigenous cases have since
occurred in Mattigiri. This staff will not be avail-
able for utilization elsewhere and I have in consult-
ation with the District Medical and Sanitary Officer
taken steps with reference to Regulation 21 of the
Additional Unfassul Regulations to organize a second
ambulance staff: it will for the present be stationed
at Salem. I request you will be good enough to approve
of my action.

I have the honor to be,
Sir,
Your most Obedt. Servant,

R. B. Clegg
In Ag. Collector
