ORDER.

It is because the ordinary provisions of the law are insufficient for the purpose of dealing with the plague that the E. D. Act III of 1897 has been specially enacted. Under ~~of~~ Municipal Regulation No 4 framed under this Act, it is for the Collector or the Municipal Council to fix the reasonable rent for the land required, and such rent need be paid only for the period of occupation. There is therefore no necessity to enter into a lease with the owner or to apply the provisions of the Land Acquisition Act I of 1894. Before, however, the land is taken possession of, the C.M.s. should consider whether the ~~adjoining~~ land adjoining the site

now selected would not be more
convenient for the Segregation
Camp in case it is nearer to the
Millhouse Hospital and should
submit a sketch showing both the
plots of ground.

NOTE FOR THE

Re No. 653 of 1878

Collector's Office,

Dated, 25 August 1898.

FROM

A Butlerworth Esquire Sec
as COLLECTOR OF the
Nilgiris,

To

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT.

Madras.

Stone House Hill.

Sir,

It has been decided by the
Ootacamund Municipality to construct
a Segregation Camp at the west end
of the lake on field N^o I. 15 A. The
area required will be 3 acres, and
it is proposed to take up the land
on lease for three years. The site in
question appears to the Civil Surgeon,
the Chairman and myself to be
suitable and the Council is entering
into immediate possession under
Regulation 4 of the Original Madras
Regulations under the Epidemic Diseases
Act. The owner of the land is Mr.
A.C. Campbell who is now, I hear,
in England. The Chairman is making
inquiries as to the rent which he
will require for the use of the land.
An

An adjacent land holder asked \$100
an acre the other day ^{but} that is
a high figure.

2. Though the aforesaid Regulation 4 does not explicitly state that land entered upon thereunder must be acquired under Act I of 1894, it is not apparent how, if that enactment is not employed, a dispute as to what constitutes "reasonable rent" can be decided.

I, therefore, request that Government will sanction under Section 35 of Act I of 1894 the taking up of the three acres above referred to for a period of three years. Then, if Mr. Campbell objects to the rent tendered by the Municipal Council, the matter will be referred to the Court.

3. I solicit early orders.

I have the honour to be,
Sir,
Your Most Obedient Servant

A. Mutterson.
