Order No 891 P

loine N to P.

Kindly supply this for
copy Hankin's report on action
of Cowdrip floors on disinfectants.
See Pioneer of 20th.

HT
24 8 98.

After despatch, let H m
see Pioneer of 20 & Standard
of 23rd.

note of the reports of Mr. Hankin
Communicated to this Govt, he has
stated that

(a) "Chloride of lime, Phenyle and
"lysol appear to be without much
"action on the microbes of a Cowdrip
"floor."

(b) "acidulated sublimate solution
"is the only one of the disinfectants
"tried that showed a clearly good
"action on a Cowdrip floor."

(c) dilute sulphuric acid is likely
to be efficient when used on such a floor.

Conclusions (a) & (b) are
repeated in the summary published by
the
