PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Reference of the Board of Revenue (Land Revenue), No. 447, dated 21st April 1898 on the following letter from the Collector of Madura, dated 5th April 1898, R. C. No. 203 of 98 :-
Genl

The Municipal Council of Periyakulam has been using for several years a piece of land measuring 1 acre 24 cents in Fort and Manthai Poramboke in Vadagarai village in Periyakulam Taluk, as sites for two latrines, without the ground being made over to it under proper sanction. The Chairman now requests that the land may be formally transferred to the Council. He admits that a smaller extent than 1 acre 24 cents might suffice for two latrines in Periyakulam, if they be constructed on any standard design; but says that the Council has at present simply enclosed the ground with mud walls and that, under the present state of its finances, it is not likely to find means in the near future for erecting pukka latrines. It is understood that there is no other latrine besides these in Vadagarai which is an important portion of the Municipality. Under these circumstances, I have the honour to submit ^{statements} alienation in the prescribed forms for the transfer of 1 acre 24 cents and to request that the Board may be pleased to obtain the sanction of Government therefor. The transfer may be sanctioned on the condition that the land will be exempted from assessment, only so long as it is used for the purpose of the latrines.

Reference No. 447 dated 21st April 1898.

Submitted for the orders of Government.

2. As remarked by the Collector, a much smaller extent and than 1 acre 24 cents should suffice for the construction of two latrines: and unless latrines are actually going to be built thereon it seems to the Board that a formal alienation of

the land or any portion of it in favour of the Municipal Council is unnecessary. There is no objection, however, to the Municipality continuing to use the land as at present, until it is formally assigned or is resumed for some other public purpose.

Order thereon, No. 2045 M.S., d/10th May 1898.

The Government agrees with the Board of Revenue. The Municipality will be allowed to use the land as at present but it should be distinctly understood that no rights in or over the land are conceded and that the land is liable to be resumed at any time with compensation if required.
