Item 4: The fee seems excessive, &
will probably result in the Vaccinator wan-
king money illegitimately out of house to
house vaccination. 4 ams, I think,
enough.

Item 10: The fees charged for the com-
paratively harmless trades are the same as
those charged for the very obnoxious
ones of storing bones, & grinding oil.
The former is obnoxious to the nose, the latter
to the ears. I would suggest either that
the fees on 10 be reduced - or those on 12 & 14
increased.

Item no 20: This fee might well be raised
to 20/- ^{The} livery stable
owners get a fairly good income from
them, though competition certainly keeps prices
down in Trichinopoly.

Item no 35: The opening of private
burial grounds should, I submit, be
discouraged by the imposition of higher
fees. The fee has been reduced from
3/5/-

FROM,

CHAIRMAN,

Municipal Council,

TRICHINOPOLY.

TO,

The Chief Secretary to Government,
Local and Municipal Department,

FORT ST. GEORGE.

Through the Dy. Collector of Trichinopoly.

SIR,

I have the honor to submit, for the sanction of Government, a revised schedule of rates of license and other fees to be charged under section 267 of Act IV of 1884 as amended by Act III of 1894. The objects and reasons for fixing these rates are briefly given here under.

2. Items 1, 2, 3. An uniform rate of Rs 2 is proposed to be charged for the renewal as well as the transfer of the license or registration certificate in the case of carts without springs, vehicles with springs, and all animals except asses, dogs, bullocks and buffaloes. A lower rate of anna 1 is proposed to be levied in the case of the latter animals, the fee for the original license for an ass being as 4 and that for a dog, bullock or buffalo being as 8 only.

Item 5. The fee of Rs 1 is proposed to be levied for all privy doors opening outwards.

Item 6. The rate of 1 anna per square foot was originally fixed for a period of three years. The levy of these fees once in three years is inconvenient, in as much as the fees are included in the receipts of one financial year and it will be more correct to deal with these

ceipts annually. The rate is smaller will, in future, be made leviable for one year instead of a period of three years.

Item 25. The rate of fee per cart is raised from pice to one anna.

Items 35, 36. The rates for the license of a burial or burning ground and of a grave-digger or other attendant are proposed to be fixed at Rs 1 and 40 s respectively. These rates are fixed low with a view to ensure their registration and to control them.

The other items call for no special remarks - These have been newly added to the list or have been described in the words used in the Amendment Act.

I have the honor to be
Sir

Your most obedient servant
William O'Hara
