NOTE FOR THE

Dr. C. No 113 P. 2/1-3-98
But said that Mrs Williams
was not entitled to house
rent as the Surgeon General
represented that she had been
appointed on the understanding
that she would not be entitled
to free quarters or compensation
in lieu thereof. On this, he
was mistaken, and an order
signed by Dr. Bramford is
now produced, in which he
informs that
she would receive a salary
of Rs. 100 per month with
free quarters or compensation
in lieu of quarters. Mrs Williams
is therefore entitled to house-
rent under P.O. No 649 P.
of 6-7-98, and the question
is for what period house rent
should be allowed.

2. On the receipt of P.O. No
113 P. of 1-3-98, the President
of Board ordered the recovery
from Mrs Williams of Rs

63-9-9 which she had drawn

to some extent from the date of her
appointment to the date of her
receiving the first attachment
order, and for this period she
must be paid the actual house
rent paid by her within a
maximum of \$15 a month.

Miss Williams' ~~her~~ claim to house rent was

The Government considers that as Mr. Brauford made a distinct promise that he more at Podanur would be given free quarters or compensation in lieu of quarters, she should be allowed the actual house rent incurred by her up to the maximum of Rs 15 a month. This concession may be extended to other nurses engaged under exactly similar circumstances but it will be open for any District Board under which they are employed, to displace with their services if unwilling to continue to work on the terms sanctioned in G.
