 Memorandum for the information
 of the District & the District
 Medical & Sanitary Officer, Mombasa.

Plague is now bad in Kitale. The
 people express their intention to
 receive medicine & food when sick.
 In the absence of the District Officer & his
 D.M.S.O. I yesterday, ordered half
 the Ambulance Staff at Guntakal to
 Kitale. There is only one Hospital Asst.
 at Guntakal. This I discovered this morning.
 I have therefore, after consulting Mr. Latta,
 taken away the H.A. from the Railway
 Station. He at present does little beyond
 punch tickets. His work might be done
 by a boy. Mr. Latta is confident that
 he can manage things by himself, at any
 rate for the present. The District Officer &
 D.M.S.O. are requested, on arrival,
 to make such arrangements as they
 think fit.
