Sir,

As the strength of the 1st form is at present 48 and there is every probability of the strength still further rising, the Council at its meeting held on the 12th March last resolved that the class being unwieldy be divided into two divisions and an additional teacher be appointed for the new division to be opened. This will be in accordance with the educational rules according to which the strength of no division under a single teacher can exceed 40 except with the special sanction of the Director of Public Instruction.

The Council anticipated in the Revised Estimate Rs 3400 whereas the actual receipts come to Rs 4120.1-2 from the school fees. The additional teacher's pay can
