PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:-

From the Surgeon-General, Madras, No.420, dated 22nd

October 1898:-

With reference to G. O. No.1249, Public, dated 4th October 1898 and in continuation of my letter No.395, dated 7th idem, I have the honour to request that steps may be taken with a view to obtain ten more temporary European doctors from England as from the attitude of plague in this Presidency it appears quite possible that all of a sudden we may be confronted with a severe epidemic both in Madras and in the Presidency and it is most desirable that we should be fully prepared to meet it.

2. There is yet another reason why I am making this demand- I am informed by the Principal Medical officer, Madras Command, that he has received orders to equip two field hospitals a fact which shows that Military exigencies are up again. This will not only render it impossible to obtain any Commissioned Medical Officers from the Government of India but may possibly result in our having to send men from the Civil side for Military duty. Under these circumstances I trust that Government will be pleased to take early steps for obtaining ten more temporary men from
