LOCAL AND MUNICIPAL DEPARTMENT

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Proceedings of the Public Department, No. 1452, dated 2nd December 1898.

Read again G.O. No. 1257, Public, dated 8th October 1898.

Read also the following paper:—

From the Collector of the Nilgiris, R.C. No. 653 of 1898, dated 9th October 1898.

I learn that Government has declined to sanction the proposal to restore the District Medical Officer to Ootacamund, and I therefore write to ask whether Government has any objection to the Civil Surgeon, Ootacamund, being treated as District Medical Officer for plague purposes only throughout the district except in the Paranginad Firka which contains Coonoor, Kotagiri and Wellington and the ghats leading into Coimbatore District. In that Firka all plague operations would be under the control of the District Medical Officer stationed at Coonoor.

I make this suggestion because the present arrangement whereby all communication with the District Medical Officer has to be carried on by letter is highly inconvenient. The District Medical Officer and the Civil Surgeon are both of opinion that the arrangement proposed in this letter ought to be adopted. The favour of very early orders is solicited.

ORDER No. 1452, dated 2nd December 1898.

The Collector's proposal is approved, and the Civil Surgeon, Ootacamund, will be appointed additional District Medical and Sanitary Officer of the Nilgiri District, for plague purposes. His duties

duties will extend over the whole of the district except the Paranginad Firka.

ORDER No. 1558 P.Mis., dated 9th December 1898.

RECORDED.

Public Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Surgeon-General, Madras, No. T 3/28, dated 10th September 1898.

ORDER:—No. 1257, dated 8th October 1898.

The Government is not prepared to modify the existing arrangement. The administrative advantages referred to as likely to result from the proposed change are of a purely temporary nature. As far as advice is concerned the Collector will doubtless continue to have the assistance of the Civil Surgeon. If the presence of the District Medical and Sanitary Officer should at any time be required to supervise or assist in the carrying out of medical or sanitary measures, the Collector should request that officer to visit Cotacamund.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Endorsement of the Local and Municipal Department, No. 257 dated 25th November 1898 transferring the following letter from the Collector of the Nilgiris, Ref. on C. No. 653 of 1898, dated 9th October 1898:—

I learn that Government has declined to sanction the proposal to restore the District Medical Officer to Ootacamund and I therefore write to ask whether Government has any objection to the Civil Surgeon, Ootacamund, being treated as District Medical Officer, for plague purposes only, throughout the district except in the Paranginad Firka which contains Coonoor, Kotagiri and Wellington and the ghats leading into Coimbatore District. In that Firka all plague operations would be under the control of the District Medical Officer stationed at Coonoor.

I make this suggestion because the present arrangement whereby all communication with the District Medical Officer has to be carried on by letter, ^{is} highly inconvenient. The District Medical Officer and the Civil Surgeon are both of opinion that the arrangements proposed in this letter ought to be adopted. The favour of very early orders is solicited.

O R D E R:—No. 1452, dated 2nd December 1898.

The Collector's proposal is approved, and the Civil Surgeon, Ootacamund, will be appointed additional District Medical

Medical and Sanitary Officer, of the Nilgiri District, for plague purposes. His duties will extend over the whole of the district except the Paranginad Firka.
