FROM

TO

THE

Plague Commissioner

Madras.

SIR,

With reference to your telegram dated 9th instant, I have the honour to state that it is proposed to open 14 Observation circles in Tirunelveli and Madakasin Taluks. As these Taluks and a portion of Perunkonda border on the Mysore Province, and as Madakasin is almost surrounded by that Province it is not possible to reduce the number of circles if the work is to be efficient. The circles are roughly 10 miles diameter. Rough sketches of these Taluks and lists of circles with the names of villages comprising the same, are herewith forwarded for information and approval.

2. Fourteen Sanitary Inspectors, one assistant Sanitary Inspector for Madakasin Town and two Supervisors, are required for these circles. The District Medical and Sanitary Officer has already wired for five Sanitary Inspectors and I have appointed one Eurasian as Supervisor. I have also asked the Sanitary Commissioner, Madras to send me a Native Supervisor for the other new circles. The revised

remaining Sanitary Inspectors and other Estab-
lishment required will be arranged for on
receiving your sanction.

(3) There are also to be three Road Jerambier
Stations at Kodikonda and Hindupur in Hindupur
Taluk, Gowidapuram in Madakasira Taluk.
Of these Kodikonda station was already opened
and arrangements are being made for the early
opening of the other two stations.

I have the honour to be

Sir
