A.M. ORDER.
Misc

A.M. for orders.
These two poor villages
are I submit too far
from Kurnool to be fit
for the applic^{the} of a half-
tax system. There are
no pipes within half a
mile of them. One village
in fact is nearly a mile
from pipes. May they not be
fully exempted?

I think so.

The municipal council's
proposal to exempt Johrapuram and
Roga from payment of water tax
cannot be approved, as though
villages in question have not been
supplied with water pipes, yet the
inhabitants therein benefit to some
extent by the general sanitary im-
provements caused by the supply
of water to the rest of the town.
These villages will therefore be
exempted from payment of one
half of the water tax and the
following notification will be pub-
lished in the Fort St George and
the Kurnool District Gazettes:—

Notification

Under Section (2) of
Section 75 of the

municipalities Act IV of 1884, as amended by Act III of 1897. His Excellency the Governor in Council pleased to exempt from payment of one half the water tax on buildings and lands in the villages of Johrapuram and Roza in the town of Kurnool.

The chairman is requested to furnish details of the expenditure Rs 77-14-7 referred to in para 2 of his letter and to state the date from which the famine batta was paid.

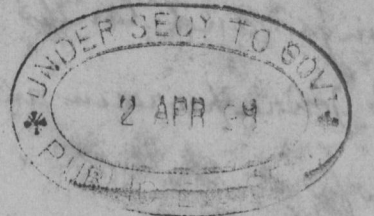

V.R.
12/5/98

Note. Para 1 of the draft order follows G.O. No 898 M dated 10th May 1898. The information regarding date called for in para 2 of the draft order is required with a view to see whether famine batta was paid before the 3rd July 1897, which was the date on which such batta was paid to Government servants in the Kurnool district.

ment Order No 326.M. dated 4th Febru-
ary 1898, I have the honour to submit

dings of the Municipal Council -
dated 12th March 1898 for exempting

same.

2. I have also the honour to
submit that in view of the unfavourable

state of the season, the dearth of fodder
and the high prices of grain at the time,
the Municipal Council allowed special
batta for Municipal buffalo service
and Packali service for about $2\frac{1}{2}$ months.
An additional expenditure of Rs 77-14-7
was thus incurred. It is therefore
requested that the sanction of Govern-
ment may be obtained for this
increased expenditure.
