Plague Copy of letter No ²⁵¹⁴ 3060 dated 10.12.98 from
the Sanitary Commissioner for Madras to the
Collector of Bellary

With reference to your letter No 2282 P
dated 7th December 1898 I have the honour
to state that I have directed Mr Widdreth
of Bombay to report himself to you. This
man was employed in Bombay during the
plague operations, on a salary of Rs 150. He
has undergone the full course for the L.M.S.
of the Bombay University, and has appeared
for the final examination - the results
of which are not yet known.

2. I have also directed Mr J. W. S. Kelly
to join. This man held the appointment
of Deputy Jailor, Akkab, on a salary of
Rs 150. He lately underwent a course of
training in the Temporary Sanitary Inspectors
class held by me, with the object of fitting
himself for a Supervisor's post should an
opportunity offer. He passed a creditable

Examination in Sanitation

3. For the third post, I advise the employment of Late Inspector of Police Parthasarathi Pillai. He is an intelligent man, rides well, and talks fluently the languages spoken in the Bellary district. His pay before retirement was Rs 85. He underwent training in the Temporary Sanitary Inspectors' class, and passed successfully.

4. If my third nominee be objected to, on the ground of his being a native, I would offer Mr H.C. Shukie. This man was lately employed as fourth officer on a B. I. S. S. Coasting steamer. His pay was Rs 120/-. He also served under me in the Lunatic Asylum, Madras as an European attendant - a post requiring tact and patience. He underwent training in the Temporary Sanitary Inspectors' class with the object of qualifying for a Supervisor's post, and duly passed.

5. In all the above cases, I think

the men are entitled to the full pay of Rs 150 offered - the first two indubitably so.

6. Please wire which of the men mentioned in paras 3 & 4 you prefer.

Telegram dated 13th December 1898 from the Collector of Bellary to the Sanitary Commissioner for Madras in reply to the above.

Your letter 3060 dated 10th para 3 - no objection to Parthasarathi Pillai, para 5 your proposal to pay supervisors Rs 150 not understood. Kindly see Commissioner's proceedings 821 dated 16th November and

Explain.

Forwarded to the Plague Commission. The Sanitary Commissioner has not replied to the Telegram, but he verbally told me at Guntakal on 17.12.98 that he understood proceedings 821 to apply only to men employed in municipalities. The

3 men who appeared before me viz
Messrs Hildreth, Kelly, and Parasasachi
Pillai, are in my opinion worth Rs 100/-
a month plus the usual allowances, and
I request permission to entertain them on
that salary. Mr Hildreth has an offer
of employment at Karachi, and I may
therefore have to fall back on the 4th
man, Mr Shulie; if he is of the same
type as the others, I would give him a
similar salary. I may mention that
it is a matter of the greatest difficulty
to obtain suitable men for these
itinerating posts.

W. J. P.
Acting Collector
