Department
Madras

Sir

Adverting to para 3 of G.O. No. 560M dated 12th March 1898, I have the honor to state that the anticipated decrease under Avenue receipts is due to the receipts for 97-98 (i.e. Rs. 200) having been fixed with reference to the fact that the produce of the Coconut trees was leased out in October 97 for a period of one year, the lease amount coming up to about Rs. 650 which was expected to be realized within the year 97-98. This amount together with the income realized from this source from April up to October 97, and that from the produce of the trees on the banks of the Municipal channel outside the town was expected to come up to about Rs. 1200. If the year 1898-99, all that can be expected is about Rs. 600 and the sale proceeds

Why should not this item recur in this year also?

sale proceeds of the Channel
produce which will be about Rs 150.
This accounts for the receipt of 9879
being fixed lower than those of 97-98
