NOTE FOR THE Secretary, L & M Dept

After coming down, I find that the Singer bicycle, priced Rs 285 is of much better make and stronger than that of Humber, priced Rs 200. The bicycles in the Public Dept were bought for Rs 292-8-4 each. Would it not be better therefore to buy the Singers for Rs 285?

the second hand ones mentioned
by me are now in good order, and may

NOTE FOR THE Secretary, L & M Department

The Public Department has bought
two bicycles at a cost of Rs 585, and
the Revenue Department two for Rs 536,
which are used by Peons to carry
urgent papers and messages.

May not two bicycles be pur-
chased for the L & M Department also?

There will be a saving of Rs 450
in the provision for Postage stamps
in the current year's budget.

The cost of two second hand bi-
cycles at Addison's depot,
which are in good order, is Rs 200,
and a new one of the same kind is
priced Rs 200. If it is consi-

dered better to have new ones
and those of the more expensive kind
one can be bought for Rs 150 or Rs 200

this year and another next year.

One of these will be kept in the office
and the other in the Secretary's house.

I think the two second hand ones
at Addison's will do for our pur-
pose, and if not two new ones for Rs 400.
