Note

I am a native of Travancore and a Syrian Christian. I passed the B.A. degree Examination from the Madras Christian College in January 1885, with Physical Science (Physics, Chemistry and Botany) as my optional subject, and Malayalam as my second language. In February 1885, I was entertained as First Assistant in the Basel German Mission High School, Calicut; and in May 86, I was appointed Head master, which post I have continued to hold since then.

I was elected a Municipal Councillor of the B ward in Calicut in 1887, re-elected in 90 for the same ward, appointed as a Councillor by Government in 1893 – the Municipality having been deprived of its elective franchise in the meanwhile and again reappointed by Government in 1896.

During the period of 11 years of my Councillorship I have served on Hospital and Educational Standing Committees and on most of the Sub Committees appointed by the Council from time to time. As a Division Councillor, I have been entrusted with the supervision of Road works and Sanitation. The Council appointed me in 95 to supervise and check the work of vaccination in the town and I was in charge of this for about a year. During the general revision of assessments in 1891 and 1897, I checked the work of the revising Inspectors by local inspection, and I have after — similar local investigation reported upon hundreds of profession, ~~and~~ house, and land tax appeal petitions.

I have no landed property in Malabar, but in Travancore I have in my own name landed property worth about Rs 1,000, and I have a share in my ancestral property worth about Rs 10,000.
