No 89 Vizianagaram, 14th July 1898.

From

THE CHAIRMAN, MUNICIPAL COUNCIL,
VIZIANAGARAM.

To

The Secretary to Government
Local and municipal Department
Madras-

Sir, (thro' the Revenue Divisional officer)

In forwarding herewith Copy of the resolution of the municipal Council, passed at its meeting held this morning, I have the honor to state that under Government order No 4 M dated 4th January 1897, it is necessary to secure the services of a trained Sanitary Inspector for this town and now especially so, as plague threatens the Presidency. The trained Sanitary Inspector, who was in the service of the municipality till June 97, left it owing to an offer of increased pay under the Kistna District Board. Since then there has been no qualified person holding the appointment. Although applications were invited for the appointment by an advertisement in the Fort Saint George Gazette, no one could be secured for the post. No applications have been made by any one on account of the insufficiency of the salary - One man on Rs 25 + 15 allowance was appointed on the recommendation of the Sanitary Commissioner; but no sooner had he joined than he left service.

2- I have explained to the Council the ur

necessi

necessity of procuring the services of a qualified person as the Chief Sanitary Inspector of the town and suggested that the Council will do well to abolish the separate office of market superintendent on a salary of Rs 10 and to add the sum to the salary already assigned to the post of the Chief Sanitary Inspector, whose duty it will also be, under the existing rules, to inspect the markets and slaughter houses, besides being responsible for the general sanitation of the town - This proposal of mine was accepted, and the Council passed a resolution to that effect and requested me to take immediate steps for securing the services of a competent man on Rs 35 + 15 allowance - In anticipation of the sanction of Government, I have this day addressed the Sanitary Commissioner to recommend a qualified non-Brahmin to be appointed Chief Sanitary Inspector of this Municipality on the aforesaid increased salary and allowance - This arrangement will not only tend to encourage qualified persons to offer their services, but will not entail any additional expenditure on the municipality - I request fore that Government will be pleased sanc the proposal at a very early date -

l proposition statement and application for transfer of allotments - are herewith submitted for the information of Government -

2- The ex-officio Chairman brings to the notice of the Council the urgent necessity of securing the services of a qualified person as the Chief Sanitary Inspector of this municipality. There is no inducement for competent persons to offer their services as the present salary assigned to that office is only Rs 25 + 15 allowance. The Chairman proposes therefore to abolish the office of the market Superintendent and utilise the provision made under that head towards the present rate of salary now proposed for the office of the Chief Sanitary Inspector whose legitimate duty will also be to inspect markets and slaughter houses.

This arrangement will, if approved by the Council, give Rs 35 + 15 allowance and would tend to encourage people to come forward for service in the municipality leaving the budget equilibrium un-disturbed.

The Chairman's proposal is approved

subject

subject to the sanction of Government. The Chairman is requested to take immediate steps in the matter.
