THE CHAIRMAN, MUNICIPAL COUNCIL,
VIZIANAGARAM.

To

The Secretary to Government
Local and Municipal Department

Sir,

Madras.
(thru' the Revenue divisional officer)

With reference to the Proceedings of the Madras -
Government dated 10th June 1898 no 1038 M misc., I
have the honor to enclose copy of resolution no 5 of
the Council passed at a meeting held on the 14th
July 98 and to submit that the Council considers
that there is ~~real~~ necessity for the entertainment of a
clerk on Rs 10 and an Inspector on Rs 7 1/2. The former
is required solely for issuing toll-tickets to all
the toll-gates of which there are seven in this munic-
ipality. The tickets are of various descriptions and
are to be issued by thousands. He is required to
check the counterfoils of all the tickets returned
daily from the seven Toll-gates and to maintain
registers of toll-collections and accounts of expenditure
incurred in connection with Tolls-revenue. A
separate and detailed account is very necessary
inasmuch as the Council will have to furnish
statements to the District Board which has a fourth
share in the receipts and charges under this

head

head - All his time will therefore be occupied by the clerk in attending to the aforesaid work in the office, and he cannot go to the gates for inspection daily

2 - A separate Inspector on Rs 7½ was therefore entertained by the Council to go and inspect the seven toll-gates, check the work of the gate-keepers, and help them in the issue of tickets when the number of carts is large, so that there may not be occasion for carts being unnecessarily detained - Besides the above work he is directed to be in charge of the 7½ gate called Kittaiyas Toll-gate, for which no separate establishment is maintained, since the daily collections there are too small to allow of a separate gate - I have arranged that one peon from each of the two neighbouring toll-gates should be detailed on alternate days to help the Inspector to collect the tolls at that gate - This arrangement has saved an expenditure of Rs 11 a month to the Municipality - When the Collections of Tolls were under the management of a contractor, these seven gates were maintained by a separate establishment at each -

3 - In the above circumstances, I think it is very necessary to have an Inspector on Rs 7½ - The clerk is also made to go & inspect the gates on

market

market days which are two in a week - Sanction of Government is therefore solicited to keep on the Inspector whose services are retained in anticipation

4 - Application for the required allotment of funds is herewith submitted in the prescribed form -

I have the honor to be
sir,

Your most obedient servant

Ex-officio Chairman -
